

REMARKS

Reconsideration of this patent application is respectfully requested in view of the foregoing amendments, and the following remarks. Applicant has amended the claims to remove reference numbers and multiple dependencies. Applicant has also made additional amendments to correct the grammar and to conform to U.S. requirements. No new matter has been added. It is now believed that the application is in condition for substantive examination. It is believed that no fee is required with this submission, due to the cancellation of the multiple dependencies. However, if the PTO determines that a fee is due, the Commissioner is authorized to charge any deficiency to Deposit Account No. 03-2468.

Applicant also submits herewith a Supplemental Information Disclosure Statement, containing the English Abstract of the German references previously cited.

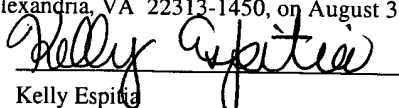

Respectfully submitted,
PATRICK ALEXANDER KOSMEHL
